

You Are Cordially Invited To
Pendleton High School ~ Rhythmic Mode's

*25th Annual "Hearts In Motion"
Dance Competition*

Saturday, February 25, 2012

*** **

Our goal is to provide you with a fun and memorable day of competition. This is a very unique competition in that it provides an opportunity for high school teams, junior, elementary and mini teams to compete (in their respective divisions). Each team will go home with an award! We also present many special awards: Showmanship, Best Costume, Inspection and our outstanding individual award to "Supersensational Dancers".

This is a one-round competition with Grand March beginning at 12:45pm.

High school teams will be required to perform one routine three to six minutes in length. Junior teams are required to perform one routine two to three minutes in length. DDCA rules and guidelines will be followed for both high school and junior divisions.

The non-refundable entry fee for the competition is \$80/team. We cap our competition at 24 teams, so we encourage you to return your entry form and fee as soon as possible to ensure a spot. Deadline for entry is January 20, 2012. Do not hesitate to make extra copies of the entry form as needed.

Music can be on a memory stick or CD – no cassette tapes. To help out our sound person, it is important that the music be stopped at the point the routine will stop on competition day. In addition, coaches of high school and senior club teams must provide a memory stick for Judges' use. This will follow DDCA guidelines. This needs to be a separate memory stick if you use a memory stick for music.

Please note that you are responsible for providing insurance coverage for your team(s).

Concessions will be available as well as gifts for your dancers,
including competition t-shirts and sweatshirts.

We hope you will join us for this milestone
